

BUMPER CROWD IS PREDICTED FOR GAMES TO-NIGHT

Blues-College Indoor Meet in
Horse Show Building Attracts
Star Athletes.

The banner event of the local athletic year will be staged to-night, when the Blues-College annual indoor track meet is held at the Horse Show Building. The first heat will start promptly at 8 o'clock, and it is certain that a large crowd will witness the games. Arrangements have been made with the street car officials to run their cars to the entrance of the building for the benefit of those attending the meet. Manager Carter, of the Blues, has arranged to have the building heated, and the spectators will not have to endure the Arctic weather that they did at the dual meet, the Blues and the Blues held on the 17th.

With the exception of the two South Atlantic championships, events of the meet will center on the local relay teams that are going to participate. It is a well-known fact that the more relay races, the more interesting the affair will be, and the promoters of the meet have been working with the city officials to have the largest relay carnival ever held in this city. Practically every member of the Blues and Amateur Athletic Federation will have teams entered, while all of the prominent prep schools will have their teams on hand.

Manager Carter received a long list of entries from athletes running unattached. P. J. Kelley, of Baltimore, sent in his entry for the championship quarter mile, and judging from his past performances he should be able to give some of the reigning favorites a tough tussle in this event. McDonough, the speedy timber-topper, who ran second to Cronley in the hurdles last Saturday night at Baltimore, has entered the 100 yard race, and he is going to make the champion hustle to defeat him again. McDonough beat Cronley in the handicap hurdles Saturday, but lost out in the championship event by a narrow margin.

One of the feature events of the evening will be the Boy Scout relay for the championship of the city. The winner of this race will be awarded a handsome trophy, and the youthful Daniel Boone, who is the champion of the grammar school relay, will also furnish the spectators with a good bit of sport. The Blues will run a three-cornered race with the Maryland Aggies and the Blues as their opponents. This event will wind up the evening's program.

LYNCHBURG QUINT TO MEET SOLDIERS

Game To-Night on Howitzers' Court Will Largely Determine State Championship.

The basketball game to be staged here to-morrow night on the Howitzers' court, between the Lynchburg Y. M. C. A. and the Howitzers, promises to be one of the classic and hardest fought games that it has ever been the good fortune of followers of basketball to witness. Both teams are on their mettle, and are both training hard for this game.

Lynchburg has defeated every team that it has been up against this season, and have been champions of this State for a number of years. The Howitzers have been defeated by only two teams in this State this season, and, therefore, by taking the measure of Lynchburg, as they expect to do, will have a good claim on the State championship. The records of both teams follow:

Virginia Christian College, 12; Lynchburg, 21; Norfolk Navy Y. M. C. A., 26; Lynchburg, 21; Cardinal Athletic Club, 34; Lynchburg, 48; Washington Y. M. C. A., 24; Lynchburg, 40; Elton College, 21; Lynchburg, 31; Richmond College, 16; Lynchburg, 50; A. & M. of North Carolina, 20; Lynchburg, 60.

Lynchburg Fans Coming.
Lynchburg, Va., February 20.—A number of basketball fans will accompany the Lynchburg Y. M. C. A. quintet to Richmond Saturday to witness the game scheduled in the Jefferson School-John Marshall High School. The High School team has defeated every team played this season, excepting the second quintet of Washington and Lee, and a game with the winner of Saturday's game would throw more light on the State prep and high school championship than any other that could be arranged.

Stahl Refuses Offer.
Chicago, February 20.—The Brooklyn Club, of the Federal League, has failed in its efforts to get Jake Stahl, the former Sox leader, as manager. President Robert B. Ward to-night left Chicago for Brooklyn, after neither Ward nor Stahl made concessions, which would remove the differences in the terms proposed.

Four Survivors Left.
Boston, February 20.—Play in the national racket championship at the Tennis and Racquet Club to-day, brought the tournament down today by representatives with H. P. McCormick, Chicago; Dwight P. Davis, St. Louis; Lawrence Waterbury, New York; and C. G. Osborne, Chicago, the survivors. The best match of the day was that between Scott and Osborne, the latter winning out through his brilliant service and better condition.

Free to Play With Orioles.
Baltimore, February 20.—Manager Dunn of the Baltimore International League Club, announced today by representatives with H. P. McCormick, Chicago, one governing body, had signed a contract to play with the Orioles.

The third night of the intercity bowling tournament proved the most successful yet held. There was a large crowd on hand to watch the knights of the tenpins despite the frigid weather. The Nolde, No. 1 team, made a great showing from a sartorial standpoint, with their pennants crossed on their breasts, and while they did not do any fancy scoring, they easily took the lead as being the most spectacular team seen on the alleys.

The Vaughan-Robertson Drug Co. five rolled high score last night when they spilled the pins for a grand total of 2438. The Golden, No. 2, team, was high man, with 457 pins to his credit. To-day will be the "Big Day" of the tournament with the best bets of Washington entered. The Capitol City Bowlers have some of the best men in the South among them, and they are expected to get new high-water marks. The Washington delegation will probably arrive in Richmond to-day at noon. They will bring with them such crack shots as Krauss, Page, Fields, Thomas, Jones and others who are known wherever bowling is recognized. The Washingtonians will be here until Monday.

Secretary Rowsey requests that every member of the tournament committee be at the Palace Alleys as early as possible to-day, as he is expecting this to be the busiest day of the tournament.

Royal Quality

It is the high quality
of Royal Baking Powder
that has established its
great and world-wide
reputation:

Every housewife knows she can rely upon it; that it makes the bread and biscuit more delicious and wholesome—always the finest that can be baked.

It is economy and every way preferable to use the Royal, whose work is always certain, never experimental.

There are many imitation baking powders, made from cheap ingredients. They may cost little per pound, but their use may be at the cost of health.

February 20, 1914.

Sporting Editor, The Times-Dispatch:

Sir:—The Petersburg High School relay team hereby challenges the John Marshall High School relay team to a relay race of 1,000 yards, to be run in the Richmond Blues.

The Petersburg High School relay team sincerely hopes that John Marshall High School will accept it to accept this challenge.

Very truly yours,
G. JONES,

DENIES JURISDICTION.
Norfolk, Va., February 20.—Nathaniel T. Green, counsel for Police Captain Ford, accused of attempting to install a diagram or detect in the meeting-room of the Railway Clerks' Association, to-night withdrew from the investigation being conducted by the committee named by the Board of Police Commissioners.

Ford, at his advice, did not recognize the authority of the committee to conduct such an investigation. He said that the committee had nothing whatever to do with the police department, and that he was not a member of the committee. He said that he was not a member of the committee, and that he was not a member of the committee.

Police Chief Kizer held a similar notice with the committee, denying that it had any authority to investigate the conduct of the police department.

Chairman Christie, of the committee, stated that the investigation would continue, according to instructions from the Board of Aldermen.

Several policemen testified before the committee.

Miss Booker in Song Recital.

Under the auspices of the Raven Society of the University of Virginia, Miss Betty Burwell Booker, the Richmond girl who has become one of the most valued of the Covent Garden sopranos, gave a charming and highly artistic costume song recital at the John Marshall High School auditorium last night.

The program was divided into three parts—the first, a series of romances and chansons of the eighteenth century, sung in French; the second, a group of old English songs, for the most part of the sixteenth and seventeenth centuries, including one from an anonymous manuscript in the Bodleian Museum, dated 1614, and the third, eight numbers by later composers—all songs, excepting the "The Mock Peco Pa," from Rossini's "Barber of Seville."

Miss Booker, in spite of the inclement weather, was in splendid voice, and sang the entire program with grace, ful ease, artistry of interpretation, and much beauty of voice.

The admirable accompaniments of Mrs. Charles Hancock added materially to the delight derived by lovers of music and song from an unusually complete and satisfactory recital.
